WHITE SOX CALL KID GLEASON FOR FINAL FLAG DRIVE

New York, Aug. 22.—That the Chicago White Sox are getting all set to give Boston a battle right down the stretch in the drive for this year's pennant is indicated by the fact that Kid Gleason, veteran of a decade ago, has been called back to the colors in his former capacity of coach and adviser.

The old guard of baseball have a lot of confidence in each other. When one of them wants a man to steady his ball club he usually turns to an old timer. So Charles Comiskey, feeling his club has a great chance but needs an old hand to keep up the courage and spirits of the players, has turned to Gleason.

The Kid, just as tough as ever, with his cap pulled down over one eye and exuding a fighting spirit from every pore, joined the White Sox here Saturday, and it was considerable of a surprise to the fans when his gray cheeks bobbed up from the Chicago dugout. It was the first time he had been with the team since he passed out along with Jimmie Callahan two years ago.

Gleason has been signed up to act as coach for the Sox during the balance of the season, after being lured out of his retirement at the earnest solicitation of both Comiskey and Manager Clarence Rowland. Gleason was at Atlantic City getting a good coast to sunbath when he was called back to baseball.

DOC WHITE AND EDDIE CICOTTE COULD WIELD HOODOO SIGN ON YANKS

New York, August 22.—For several seasons after Doc White had outlived his usefulness against the general run of American League clubs he was retained as a member of the White Sox hurling corps for the special benefit of the Yankees. A mark for practically every other team in his circuit during the last few years of his Chicago connections, White was a versatile left-handed Johnson against the Yankees almost to the very end.

Came a time eventually when a managerial job called him to the Pacific Coast for the first time in many a long and dreary year, and the Yankees felt free and easy in their minds as they contemplated future competition against the White Sox. Their hopes were speedily dashed, however, for White had suddenly gone away from east upon the New Yorkers a spell Chicago when Ed Cicotte hopped up to almost as potent as the old White hoodoo itself.

A failure at Boston, Cicotte has been of little account with Chicago except when pitted against the Yankees. Boston has given him some unmerciful beatings. Detroit has his number, Cleveland welcomes his infrequent appearances against the Indians with a mixture of joy and even Washington holds him in poor esteem. Against the Yankees, however, he almost invariably looks like the best pitcher in all the world.

BRAVES CARRYING ELEVEN PITCHERS; TWIRLER RUDOLPH IN GRAND FORM

Boston, Aug. 21.—Boston appears to be better equipped with pitching material than any other team in the league. Manager Stallings is carrying eleven pitchers, nine of whom are in first class condition. So long as the National League permits its teams to break the twenty-one player limit rule in such a manner Boston is going to have a great advantage on the other teams simply because Stallings is carrying more pitchers than would be possible if the rule was enforced. Stallings declares that the Braves could play a double header every day from now on until the end of the season without crippling the pitching staff, and after the brilliant showing made by five of his pitchers in Philadelphia recently no one will dispute this point with him. Dick Rudolph has recovered his old time form and is now twirling the same brand of ball that enabled the Braves to win the pennant and the world's championship two years ago. Photo shows Rudolph putting one over.

THIRD WHITEWASH IN SUCCESSION FOR M'GRAW'S CROWD

St. Louis, Aug. 22.—Twenty-eight consecutive innings have come and gone since the Giants made a tally. Their run-making ability is becoming more and more depleted every day. White washes are coming to them thick and fast. The second one in two adjoining days came yesterday. They were beaten 1 to 0 by the Cardinals. They didn't score Sunday and they didn't score in the last ten innings in Chicago last Saturday.

Defeats have accumulated so fast since they crossed the Hudson that it is indifferent playing which makes it impossible to keep track of the team in the last ten games have been piled up. In five of those nine defeats they've been shut out. They are the runless wonders. Making a timely hit, that is a hit when somebody is on base within reasonable scoring distance, is becoming a lost art. Both Sallee and Trosert on this trip have done splendid pitching which has gone to waste, because in the same games the batting of the Giants was weak.

The team is down in the mouth. It isn't indifferent playing which makes it impossible to keep track of the team in the last ten games have been piled up. PITCHER DONOVAN OF NEW HAVEN IS PASSED UP BY CONNIE MACK

New Haven, Aug. 22.—A dispatch from Philadelphia last night gives a list of the baseball players that Manager Connie Mack, of the Philadelphia Athletics, has purchased in an effort to bolster his club for next season. Eight players are included in the list and a noticeable feature is that the name of Harry Donovan, New Haven's star pitcher, is not among them.

It is believed that Mack, in passing up Donovan at this stage, may feel that the local man is in need of further seasoning before he can expect a trial under the big tent. Then, again, Mack may have planned upon taking a chance at capturing Donovan in the draft net. It is known that three major-league clubs are sweet on Donovan, but none of them has gone so far as to make an offer for him.

CULLOP PILES UP TWEFTH VICTORY FOR YANKEE TEAM

New York, Aug. 22.—The Yankees started the week well by defeating the White Sox at the Polo Grounds yesterday by a score of 6 to 2. There were several features to the game. In the first place, there were the features of Nicholas Cullop, a left handed Virginia gentleman, which were permeated by a genuine Southern smile. It was Nick's twelfth victory for the Yankees, and he was very much pleased with it. It is doubtful whether anything could have been given him which would have pleased him more.

Then there were the features of Walter Pipp, which also were bright with inward sunshine. Pipp waited until the sixth inning and then hammered a home run into the upper portion of the right field stand. Not only was it a lousy wallop, but it was Walter's ninth home run of the year, which makes him No. 1 in the rating of American League circuit slouters. Up to the time that the ball bounded merrily among the seats of the grand stand Pipp and Baker had been tied at eight homers apiece.

The Yanks had on their batting clothes, although Pipp almost came out of his when he slid for second in the eighth, and had to be repaired by Jimmy Dugan, who did an artistic job of tailoring with some adhesive tape.

How well Jim Scott might have batted for Chicago is problematical, because while he started the contest for the White Sox he did not remain in it long enough to come to bat. The welcome given him by the home team was so warm that at the end of the second inning he left for the cool comfort of the shower bath. A triple, two doubles and three singles were the only hits that the Yanks got from Jim.

Danforth was Clarence Rowland's second selection for the mound. Rowland was a pretty good second guesser, as the tall outpaw was fairly effective. Pipp and Mullen were the only men who could hit him at all, and had it not been for their efforts he would have held the Yankees hitless and runless while he graced the pitcher's box.

SPRINTER DREW HAS PARALYSIS AND MUST QUIT ATHLETIC CAREER

Los Angeles, Aug. 22.—Howard P. Drew, the colored sprinter and holder of the world's record for the 100-yard dash, is suffering from a stroke of paralysis and will be unable to participate in future track contests, it was announced yesterday. His left side is affected.

Drew holds the record of 9 3-5 seconds for the 100 yards and has equalled the record of 21 1-5 seconds for the 220-yard dash. He was a member of the American team at the Olympic meet at Stockholm in 1912.

WELSH WILL NOT GAIN ANY GLORY BY DEFEATING WHITE

New York, Aug. 22.—It generally happens that the winner of a bout with the title in the balance gets considerable glory as well as coin for his efforts. The coming bout between Freddie Welsh, the titleholder, and Charley White does not offer much in the way of glory for the champion. He is taking a chance, but a very remote one, of losing his title, and victory will bring him quite a little money. It can hardly add to his prestige as a boxer.

To take on White, Welsh had to pass up two boxers who are generally conceded by boxing followers to rank ahead of the slow footed Chicagoan over the twenty round route, or any other distance, for that matter. Both Benny Leonard and Johnny Dundee appeared to have better right to a bout than White. On that account any attempt to show that the champion is taking a desperate chance because White has several knockouts to his credit does not help anybody.

Welsh should glide easily to a decision over the Chicagoan. He might glide to a decision over either of the New York boys, but nobody believes he would. Welsh undoubtedly has some doubts, too.

New York boxing followers who have seen both Welsh and White in action many times cannot figure where White will do much in the coming bout. Even when Welsh's recent bout with Leonard, his best here in years, is thrown out of the calculations, the champion figures to jab the Chicago fighter with a lead in brief the contest should furnish Welsh with no severe test, such as he would get in a longer bout with a strong and fast young boxer of the Dundee type or with a puncher like Leonard.

Welsh once got a newspaper decision over Dundee at New Orleans by a tenth round rally, but he refused to make 135 pounds for the match and the Italian at that time was boxing at 128 pounds. Both Leonard and Dundee are racing now to get first chance at Welsh after he disposes of White.

BROOKLYN WON'T LET DAUBERT GO FOR ZIMMERMAN

Chicago, Aug. 22.—Negotiations still are going on between the Chicago club and the Boston Braves for a trade involving the famous Helme Zimmerman. Whatever chance there was of a trade between Chicago and Brooklyn fell flat yesterday when Charles Weegman announced that he wanted Jake Daubert or one of the other Brooklyn stars for Helme. Poor Ebbs has not got over the blow yet.

Weegman told Charley, "There is one player on your club I would be willing to take for Zimm." "Who is he?" asked Charles H. "Jake Daubert," answered Weegman and that ended all trade talk.

However, a deal by which Zimmerman would go to the Braves was really believed to be on yesterday. George Stallings, manager of the Boston, was in conference for hours with President Weegman and Manager Tinker, but the deal still is at a deadlock.

The Boston offer for Zimmerman though it was not given out, fell short of what the Cub managers considered an equivalent for the third baseman, and a counter offer by Manager Tinker to trade Zimmerman for Maranville did not prove acceptable to Stallings. The Boston club, it is understood, offered to give Chicago two outfielders or a young pitcher.

GUNNERS PREPARE FOR SEASIDE SHOOT HERE

Many trophies will be offered for winners at the Seaside Gun club registered tournament to be held in this city September 9. The Housatonic club intends to capture a few of the prizes and many practice shooters have already been held. C. B. Custer was high gun last Saturday with a score of 82.

ST. AUGUSTINE'S WANT TO PLAY ST. MARY'S

The St. Augustine's baseball team claim the scheduled game with the Bengal Juniors for forfeit as the latter team failed to put in their appearance at Seaside park Sunday morning. This game makes the record of the Saints to date 12 won and 2 lost.

The Saints accept the challenge of the St. Mary's for a game at Yellow Mill park Sunday morning at 10 o'clock. If the game is O. K. the St. Mary's will please answer through this paper.

CABINET HOLDS MEETING.

Washington, Aug. 22.—As the railroad executives were not ready for another conference this morning, President Wilson called the cabinet to discuss the business which has accumulated while he has been considering the strike problem.

MANILA HONORS JONES.

Manila, Aug. 22.—The municipal board has voted to name the reconstructed Bridge of Spain after Representative William A. Jones, of Virginia, author of the Philippines bill in the United States Congress and it is planning to erect a monument in Manila to Mr. Jones. The board also voted to change the name of Malate Park to Harrison Park.

The transfer of the Albany franchise to Reading, Pa., was announced by President Farrell of the New York State Baseball League.

BALL BACK FROM MAINE

Neal Ball, former manager of the Bridgeport club, has returned to his home in this city after playing a short season with Augusta in the Maine league. Ball says the clubs have finished their regular season and are now engaged in a special series. The Belgrade club wanted him for this series but he found life in Maine pretty dull and decided to return home.

Ball says the gay life is not very popular in Augusta. There are a few moving picture theatres but after 9:30 at night you seldom see anybody on the streets. Johnny Tillman, the hurler released by Bridgeport, is twirling for Augusta, and getting by.

Pie Way, the Yale pitcher who was signed by the Giants, has been very successful since he was farmed out to Rochester. He has won five straight for the International League.

The Boston Red Sox continues to plod along in their winning way and unless the western teams reduce their lead, Carrigan's men will go west with such a big advantage that they cannot be overhauled.

Russell, the new Bridgeport pitcher, looked better in his game at Lynn yesterday. The Toronto recruit has been ill with fever but says he will have it out of his system in a few days.

Mike Flaherty went to third base and gave a good account of himself in the Lynn game. It looks like a mistake to take him from behind the bat for he is far superior to Moshier in handling pitchers.

MASKED MARVEL AT POLICE OUTING HERE ON SATURDAY

It looks as if the East Bridgeport cops are trying to slip something over on their rivals from the West Side by getting a big league catcher for the annual baseball game, which will be one of the features of the police outing at Pleasure Beach next Saturday.

The East Bridgeporters have a "masked marvel" who will do the backstopping and reports say the stranger is Ed Sweeney, the former New York American catcher, who was farmed to Toledo.

was farmed to Toledo. At any rate the West Side police athletes are guessing and it all adds to the excitement of the contest.

Delegations from all over the state will be at the outing. Athletes of other city departments have entered for the boxing bouts and also for the wrestling. There will be heavy-weight, middleweight and lightweight classes in boxing and the same classification will prevail in wrestling. It looks as if the biggest crowd of the season will be at the Beach on Saturday. The receipts will go into the Police Sick Benefit fund.

ANNIVERSARIES OF RING BATTLES

1893—Billy Plimmer defeated George Dixon in 4 rounds at New York. Plimmer was an Englishman, 5 feet 3 1/2 inches in height, and one of the best little fellows who ever climbed through the ropes. He had defeated all the best bantams of Great Britain before he came to America in 1892. After defeating Tom Kelly, Jerry Barnett and Joe McGrath, all at Coney Island, Plimmer was matched to box 4 rounds with George Dixon. The Chocolate Drop was then at the height of his powers, and held undisputed sway over the featherweight division, but Plimmer outthought him nearly all the way. This was not a title match, however, so Dixon retained the championship, although Plimmer was generally hailed as the kingpin of the little fellows. The Englishman made a tour of America, meeting all cyners in exhibition bouts, and in 1894 he was matched to fight Johnny Murphy 25 rounds in New Orleans, the battle going to a draw. The following year Billy returned to his native land, and there sustained the first defeat of his career, losing in 14 rounds to Federal Palmer at the National Sporting Club. He was again licked by Pedlar in 1898, and soon afterwards quit the game.

Bridgeport will be at home Friday to tackle Lawrence. It will be ladies' day and House will probably work for the local club.

Cleveland has sent infielder Ivan Howard to Portland, Ore., as part of the transaction by which the Indians got First Baseman Guisto. This makes seven players Cleveland has given for Guisto, who is said to be a wonder. Portland also got some cash in addition to the players.

It appears certain now that a big shakeup is coming in the Giant squad. McGraw feels that certain players have been with the club too long and that an injection of new blood will help.

The population of Colorado may fall for the Freddy Welsh-Charley White bout on Labor day but the rest of the country is not wildly enthusiastic. The critics think Welsh is too clever for White and that it will be just another one of those dancing numbers.

The Cleveland Indians appear to have hit the chutes for fair. They were torn off three times straight by the Yankees and the Red Sox are now busily engaged in scalping Fohl's men.

One reason why Kumagae, the Japanese tennis marvel, has been able to beat so many Americans, is because of his great strength. Although Kumagae is small in stature he has muscles of steel. He can play all afternoon without apparent fatigue.

Ray Keating is not having much luck since the Yankees sent him to Richmond. Rochester ripped his delivery for a 12 to 4 victory yesterday.

CRIPPLED LOCALS DEFEATED IN LYNN

(Special to The Farmer.)
Lynn, Aug. 22.—The Bridgeport club went into battle yesterday with a crippled lineup but nevertheless managed to give Lynn a hard fight before losing to the Cobblers 4 to 3. Russell, the Toronto farmhand, was on the slab for Bridgeport. Although touched for ten hits he kept them well scattered except in the first when Lynn struck three runs.

Waite Hoyt, the Giant recruit who has been hammered hard by the Hustlers in previous contests, had the Bridgeport boys helpless yesterday. He allowed only five hits and but for a fit of wildness yesterday did not give the first round to the Cobblers. He might not have scored as they did. Joe Briggs made two great catches.

In the opening round Hoyt filled the bases by passing two after Delinger had doubled. Another walked forced in a run. Bridgeport did not score again until the ninth when an error by Gleason, Briggs' smash and Flaherty's hit produced two. Because Baker's "Charley horse" made it possible for him to run, Flaherty was used at third and Moshier caught. The score:

WILLIAMS WILL MEET GRIFFIN IN FIRST PART OF TENNIS TOURNAMENT

New York, Aug. 22.—If Richard Norris Williams, 25, is to reach the final round for the national lawn tennis championship in the tournament which is to be started next Monday, he will have to dispose of Clarence J. Griffin. Williams and Griffin were among those placed in the upper half in the blind draw held yesterday afternoon in the offices of the United States National Lawn Tennis Association, at 20 Broad street.

There are several others in the upper half who may make trouble for Williams, but Griffin appears to be the only man who is sure of giving the former champion a hard fight, and possibly beating him. Griffin has already taken Williams' measure twice this season.

Every player of prominence in this country was included among the 128 names drawn for the championship singles. In addition there were the two Japanese stars, Ichio Kumagae and Hachichiro Mikami; A. W. Macpherson, one of the doubles champions of Russia, and Count Otto Salm-Hausman of Austria.

M'LOUGHLIN TO BE WATCHED AT MEADOW TOURNEY

Southampton, N. Y., Aug. 22.—The last test of tennis skill before the national championships at Forest Hills began yesterday when the annual invitation tournament opened at the Meadow club with an entry of 88 players, among whom were some of the strongest in the country. Included in the entries are such men as William M. Johnston, the present singles champion; Richard Norris Williams, 2d, champion of two years ago; Ichio Kumagae, who conquered Johnston at Newport, and Maurice E. McLoughlin, who will make his first Eastern appearance of the season at this event.

Interest centres about the appearance of McLoughlin, who, despite his wonderful record, stands as the dark horse in relation to the singles championship. The Coast star did not appear for play, but positive assurance was received that he would come to Southampton early in the morning and that he would compete in the singles.

Players as well as spectators are waiting to see the former champion in action, for only then will there be set at rest the conflicting rumors this year regarding his ability. The Californian drew a first-round bye, and according to the schedule will play Ragland Cook in the second round. In the upper half of the draw, with McLoughlin, are included Williams, Watson M. Washburn, Willis E. Davis, Kumagae, Theodore Roosevelt Pell, and Joseph J. Armstrong, who defeated Kumagae at Longwood.

Johnston May Not Play.
It was rumored that Johnston and Kumagae might decide not to play in the singles, but there was no definite statement to this effect, and the latter was advanced to the second round by the default of E. L. Norton.
